ADDITIONAL INFORMATION

Shareholders are requested to declare their intent by tagging selected fields with an "X". When selecting the "Other" field detailed voting instructions should also be provided.

Should the Shareholder wish to exercise voting rights differently for each batch of shares he/she controls we request that the appropriate number of shares be specified in the "for" "against" and "abstain" columns. Failure to provide such information will be interpreted as intent to cast the selected vote for all shares the Shareholder controls.

Draft resolutions to be undertaken at the General Meeting along with the corresponding agenda items are attached to this template.

Please note that draft resolutions listed in this template may differ from those submitted to the Ordinary General Meeting. In order to avoid possible ambiguities, we kindly ask Shareholders to specify contingencies for such circumstances by supplying the corresponding instructions in the "Other" field.
