Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of CD PROJEKT Capital Group ('the Group'), with parent's company CD PROJEKT S.A. ('the Company') registered office located in Warsaw Jagiellońska 74, as of 30 June 2016 and the related condensed interim consolidated statement of financial position as at 30 June 2016, condensed interim consolidated profit and loss account, condensed interim statement of comprehensive income, condensed interim statement of changes in consolidated equity, condensed interim consolidated statement of cash flows for the 6 month period ended 30 June 2016 and other explanatory notes to the interim condensed consolidated financial statements ('the interim condensed consolidated financial statements').

Management of the Company is responsible for the preparation and presentation of accompanying interim condensed consolidated financial statements in accordance with International Financial Reporting Standard IAS 34 *Interim Financial Reporting* as adopted by the European Union ('IAS 34'). Our responsibility is to express a conclusion on accompanying interim condensed consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with National Financial Revision Standard 2410 based on International Standard on Review Engagements 2410 *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* prepared by International Auditing and Assurance Standards Board ('standard'). A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with National Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion on accompanying interim condensed consolidated financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34.
