The Management Board of CD PROJEKT S.A., headquartered in Warsaw (hereinafter referred to as “the Company”) hereby announces that on October 3, 2018 a distribution agreement (hereinafter referred to as “the Agreement”) was concluded between the Company and Warner Bros. Home Entertainment Inc., with a registered office at 4000 Warner Blvd., Burbank, CA, United States (hereinafter referred to as “WBHE”).

Under the Agreement the Company grants WBHE an exclusive license to make use of Cyberpunk 2077 (hereinafter referred to as “the Game”) for the PC as well as PlayStation®4 and Xbox One gaming consoles insofar as is necessary to facilitate distribution of box editions of the Game by WBHE throughout the United States, Canada, Mexico and their respective dependent or associated territories. The Agreement details the responsibilities of both parties with respect to the license grant, basic conditions governing distribution of the Game as well as WBHE’s obligations with regard to the corresponding marketing campaign, including WBHE’s minimum financial commitment thereto.

Licensing royalties payable to the Company in association with the license grant will be calculated on the basis of sales revenues obtained by WBHE, less the agreed-upon distribution fees, costs and provisions for expenses related to the Game’s distribution and promotion. These royalties will be settled on a quarterly basis in accordance with sales reports submitted by WBHE.

The Agreement contains no specific provisions which would be regarded as unusual given its type. In particular, the Agreement does not specify any contractual penalties.

The Agreement is regarded as significant due to the fact that the estimated value of liabilities covered by the Agreement exceeds 10% of the consolidated assets of the Capital Group.
