

**Current report no. 1/2020**

**Subject:** Postponement of The Cyberpunk 2007 release

**Legal basis:** Art. 17 of the Market Abuse Regulation (MAR)

In relation to Current Report no. 14/2019 of 9 June 2019 the Management Board of CD PROJEKT S.A., headquartered in Warsaw, Jagiellońska 74, hereby announces that it had undertaken the decision to postpone the release of Cyberpunk 2077 until 17 September 2020.

The decision is connected with additional time required by the studio to test, bugfix and polish the game.

The studio believes that the quality of its games is the primary foundation on which the Group bases its economic success. The Board believes that moving the release date is in the Group's best interest because it has a direct influence on the final quality of Cyberpunk 2077 and, in consequence, the game's sales results — both long and short term.
