**Subject:** Temporary suspension of the availability of Cyberpunk 2077 on PlayStation Store

**Legal basis:** Art. 17 section 1 of the Market Abuse Regulation – inside information

The Management Board of CD PROJEKT S.A. with a registered office in Warsaw (hereinafter referred to as “the Company”) hereby publicly discloses the decision of Sony Interactive Entertainment (hereinafter referred to as “SIE”) to remove Cyberpunk 2077 from PlayStation Store until further notice. The decision was undertaken following our discussion with SIE regarding a full refund for all gamers who had purchased Cyberpunk 2077 via PlayStation Store and want a refund at this time. All copies of the game previously purchased digitally on PlayStation Store remain available for use by their respective buyers. Gamers can still buy physical versions of the game in retail and mail order stores. All copies, whether digital or physical, will continue to receive support and updates from the Company.

The Management Board of the Company has decided to publicly disclose this information in the form of a current report due to its potential influence on investment-related decisions.
