SCOPE OF REGULATION

1. The aim of Incentive Program A is also to improve the international competitiveness of employment conditions offered by the Company (or other member companies belonging to its group, as appropriate) compared to main competitors of the Company, thus making it easier for the Company to attract new employees.
2. These Terms and Conditions should be interpreted in conjunction with the provisions of the Resolution and the Warrant Issue Resolution without prejudice thereto.
3. In case of any ambiguities, it is assumed that the provisions of the Resolution and the Warrant Issue Resolution take precedence over these Terms and Conditions.

§ 3
DETERMINATION OF THE LIST OF ENTITLED PARTIES AND ASSIGNMENT OF ENTITLEMENTS

1. Determination of the list of Entitled Parties for enrollment during each Stage and assignment of Entitlements in the framework of Incentive Program A shall be carried out in 5 (five) distinct stages, in the financial years 2023-2027 (with each stage separately referred to as "**Stage**").
2. At the end of each Stage the average number of Entitlements assigned per Stage may not exceed 300 000 (three hundred thousands). The total number of Entitlements exercised throughout the entire Incentive Program A may not exceed 1 500 000 (one million five hundred thousand).
3. The first Stage, corresponding to financial year 2023, will last until 30 June 2023. In subsequent financial years covered by Incentive Program A the corresponding Stages will last between 1 January and 31 March of the given financial year.
4. During each Stage the Management Board is authorized to adopt resolutions identifying Entitled Parties who have the right to enter into a Participation Agreement and receive Entitlements on the basis thereof (these are referred to as "**Enrollment Resolutions**"). The Management Board may adopt more than one Enrollment Resolution at a given Stage, including with regard to Entitled Parties who are already covered by existing Enrollment Resolutions. Each Enrollment Resolution shall specify the number of Entitlements which the given Entitled Party may be assigned on the basis of the corresponding Participation Agreement.
5. Immediately after adopting an Enrollment Resolution, the Company shall notify the given Entitled Party that they are covered by the Enrollment Resolution and may enter into a participation agreement in the framework of Incentive Program A, confirming the willingness of the Entitled Party to participate in Incentive Program A. The Participation Agreement shall be materially consistent with the template attached to these Terms and Conditions as Annex 1 ("**Participation Agreement**"). The Company shall further specify the means of signing the Participation Agreement, including the period or date on which the Entitled Party may sign the agreement. This notification may be issued by e-mail. The conclusion of a Participation Agreement is a prerequisite for enrollment of the given Entitled Party in Incentive Program A. Should an Entitled Party fail to sign the Participation Agreement within the specified timeframe, no Entitlements shall be assigned to that Entitled Party.
6. At the moment of entering into the Participation Agreement:
 - a) the Entitled Party becomes a Participant,
 - b) Entitlements are assigned to the Participant.
7. Based on valid Participation Agreements, the Company creates and maintains an up-to-date List of Participants. The List includes a comprehensive registry of Participants, specifying the date on which the given Participant was assigned Entitlements, the number of Entitlements assigned thereto, as well as – where applicable – the expiration date of Entitlements or of the Participant's status as such. The List of Participants may be maintained in electronic form.
8. No Entitlements may be assigned to Members of the Management Board or Supervisory Board. If a person enters into a Participation Agreement while they are not a Member of the Management Board or Supervisory Board, and is subsequently appointed to the Management Board or Supervisory Board during the applicable Vesting Period, that person retains the right to exercise their previously assigned Entitlements in accordance with these Terms and Conditions, and their membership of the

Management Board or Supervisory Board during the Vesting Period will count towards fulfillment of the Loyalty Condition.

§ 4 ENTITLEMENTS

- 1) Each Entitlement shall incorporate the conditional right to (subject to the Management Board's decision): (i) take up one Share with exclusion of pre-emption rights for existing shareholders, in the exercise of Warrants, or (ii) purchase one Own Share once the fulfillment of the Loyalty Condition within the applicable Vesting Period is declared, pursuant to these Terms and Conditions. The Participant is bound by the Management Board's decisions regarding the means of exercising Entitlements.
- 2) The Entitlements assigned to a given Participant shall expire:
 - a) upon being exercised;
 - b) upon expiration or termination of Incentive Program A;
 - c) upon dissolution or termination, regardless of cause, of the legal contract between the Participant and the Company or an affiliate thereof, on the basis of which fulfillment of the Loyalty Condition by the given Participant is assessed, unless, starting on the day immediately following the day on which the aforementioned legal contract ceases to abide, a new legal contract between the Participant and the Company or an affiliate thereof is set to enter into force and may provide the basis for continued fulfillment of the Loyalty Condition;
 - d) upon death of the Participant;
 - e) upon adoption of a Verification Resolution which declares that the Participant has not fulfilled the Loyalty Condition, or
 - f) on the deadline for acceptance of the offer to claim Warrants or take up Own Shares, as defined in § 9 section 3 of these Terms and Conditions.
- 3) The Entitlements assigned to a given Participant shall also expire in case the Management Board declares, in the form of a resolution, the existence of one of the circumstances listed below, with the added proviso that any such resolution must declare the expiration of Entitlements, the date on which Entitlements expire, and the reason for their expiration:
 - a) gross breach or non-performance of the Participant's duties arising under the legal contract between themselves and the Company or an affiliate thereof, or
 - b) involvement by the Participant in activities contrary or detrimental to the interests of the Company or its Group, including activities which harm the reputation and public image of the Company or other companies comprising its Group.

§ 5 CONDITIONS

1. Exercise of Entitlements shall depend on fulfilling the Loyalty Condition as detailed in these Terms and Conditions.
2. Exercise of Entitlements by the given Participant shall also depend on possession thereby of a securities account, pursuant to Art. 4 section 1 of the Trading Act, and on supplying details of this account to the Company. In lieu of a securities account, the Participant may also identify an omnibus account, pursuant to Art. 8a of the Trading Act.

§6 WARRANTS

1. Warrants shall be issued free of charge, in dematerialized form, as named securities, and deposited in securities accounts or omnibus accounts. Warrants shall be assigned to Participants in quantities corresponding to the number of Entitlements held thereby, following fulfillment of conditions specified in these Terms and Conditions.
2. Warrants incorporate the right to take up Shares at their issue price which is equivalent to the nominal value of Company shares.
3. Warrants entitle holders to take up Shares with exclusion of pre-emption rights for existing shareholders. Each Warrant shall incorporate the right to take up 1 (one) Share. Shares may be

taken up only after their full purchase price is remitted.

4. Warrants cannot be transferred or inherited.

§ 7 OWN SHARES

1. Own Shares may be offered for purchase by Participants at a price equivalent to the nominal value of Shares, following fulfillment of conditions specified in these Terms and Conditions.
2. Participants may only be offered Own Shares which are free from any legal defects and third-party claims.
3. Should the Company decide to proceed with exercise of Entitlements by extending an offer to Participants to purchase Own Shares, the Management Board shall apply to the General Meeting to authorize a share buyback program pursuant to Art. 362 § 1 items 2 or 8 of the Commercial Companies Code or another applicable legal basis, as long as no suitable buyback authorization is in force at the given time.
4. Should the General Meeting fail to authorize buyback of Own Shares, exercise of Entitlements should instead be facilitated by extending an offer to Participants to claim Warrants.

§ 8 VERIFICATION OF THE LOALTY CONDITION

1. Within 120 (one hundred and twenty) days of the end of the given Vesting Period, the Management Board will perform verification of the fulfillment of the Loyalty Condition by Participants. This will be done by adopting a suitable resolution ("**Verification Resolution**").

§ 9 EXERCISE OF THE RIGHT TO CLAIM WARRANTS OR PURCHASE OWN SHARES

1. Having confirmed fulfillment of the Loyalty Condition by the given Participant in the Verification Resolution, the Management Board may (in writing or in document form, including as an e-mail message) discretionarily present the Participant with an offer, applicable to specific Entitlements, to exercise such Entitlements ("**Exercise of Entitlements**"):
 - (a) by claiming the appropriate number of Warrants which incorporate the right to take up an equivalent number of Company shares in the exercise thereof, or
 - (b) by purchasing the appropriate number of Own Shares from the Company.
2. Exercise of Entitlements is facilitated by the Company by presenting the Participant (pursuant to the Management Board's decision regarding the means of exercising Entitlements), within 30 (thirty) days of the adoption of a Verification Resolution which declares the fulfillment of the Loyalty Condition by the Participant, with:
 - (a) an offer to claim Warrants, to which the Company shall annex a Warrant subscription form and a declaration template concerning take-up of Shares in the exercise of Warrants, materially consistent with Annexes 2 and 3 to these Terms and Conditions respectively, or
 - (b) an offer to purchase Own Shares, to which the Company shall annex a declaration template concerning acceptance of the offer, materially consistent with Annexes 4 and 5 to these Terms and Conditions respectively.
3. The offers specified in section 2 above shall remain in force for a period of 21 (twenty one) days following their issuance.
4. The Participant may accept the Warrant claim offer or the Own Share purchase offer, as appropriate, by filling out, signing and delivering the corresponding form to the Company or an investment broker acting on behalf of the Company.
5. Within 45 (forty-five) days of the expiration of the Warrant claim offer the Company shall apply for Warrants to be registered in the repository of securities maintained by the Central Securities Repository of Poland.
6. Without delay, but in any case not later than 45 (forty-five) days of (i) having received a properly filled out and signed form which confirms acceptance of the offer to purchase Own Shares, and (ii) having received payment for Own Shares, unless different conditions governing payment for Own Shares are

agreed upon by the Parties, the Company shall place an order for Own Shares to be transferred to the securities account or omnibus account indicated by the Participant.

7. Shares shall be eligible to participate in profit sharing for the given financial year under the following conditions:
 - (a) if Shares are initially deposited in a securities account or summary account between the beginning of the financial year and the dividend date specified according to Art. 348 § 2 of the Commercial Companies Code inclusive, such Shares shall be eligible for participation in profit sharing starting on the first day of the financial year preceding the year during which they were deposited in the securities account or omnibus account;
 - (b) If Shares are initially deposited in a securities account or summary account after the dividend date specified according to Art. 348 § 2 of the Commercial Companies Code and before the end of the corresponding financial year, these shares shall be eligible for participation in profit sharing starting on the first day of the financial year during which they were deposited in the securities account or omnibus account.

§ 10 EXERCISE OF WARRANTS

1. The right to take up Shares incorporated by Warrants arises on the day the Warrants are deposited in the securities account or omnibus account indicated by the Participant.
2. Warrants may be exercised within 30 (thirty) days of their initial deposition in the securities account or omnibus account indicated by the Participant.
3. The rights incorporated with Warrants with respect to which the Company has not received a properly filled out and signed Share take-up form within the deadline specified in section 2, shall expire on that deadline.
4. The Warrant holder who, within the Warrant exercise period, decides to take up Shares, shall supply to the Company a filled-out Share take-up form, specifying the number of Warrants being exercised. The deadline specified in section 2 above is considered met if, prior to its expiration, the Company receives a properly filled out and signed Share take-up form.
5. The Warrant holder shall bear all consequences of non-submission to the Company of a correspondence address, submission of an incorrect correspondence address, or submission of any other erroneous data.
6. Together with submission of a Share take-up form, the Warrant holder is obligated to remit the purchase price of any Shares taken up, which is calculated as the product of the number of Shares taken up and the issue price of each Share. This payment should be made to the account indicated in the Share take-up form.
7. Once the Company receives a properly filled out Share take-up form, as specified in section 4 above, from the Warrant holder, and once the issue price of Shares is remitted to the Company, the Management Board shall, without delay, undertake the necessary actions to assign and deposit Shares in the securities account or omnibus account indicated by the Warrant holder.
8. The Company will apply for Shares to be admitted and introduced to trading on the regulated market of the Warsaw Stock Exchange as long as the applicable criteria and conditions for introducing Company shares to trading, arising under the relevant legal acts and Warsaw Stock Exchange by-laws, are met.
9. Admission and introduction of shares to trading on the regulated market of the Warsaw Stock Exchange should, as a rule, take place without the need to prepare and publish a prospectus, pursuant to the exemptions from this duty specified in Art. 1 section 4 items b) and i) of the Prospectus Regulation, as long as these requirements specified therein can be fulfilled in accordance with the law applicable on the date of admission of Company shares to trading on the regulated market.
10. Should the implementation of Incentive Program A require the preparation of a prospectus, as specified in the Prospectus Regulation, or of an information memorandum, as specified in the Offerings Act, the Company shall publish the required prospectus or information memorandum, as appropriate, in the timeframe and under conditions specified in the applicable legal regulations. In such circumstances the Participants will be notified of the details of the public offering facilitating implementation of Incentive Program A.
11. With regard to Participants who are tax residents of countries other than the Republic of Poland and for whom the place of taxation for events resulting from implementation of Incentive Program A is the

country of which they are tax residents, when tax, insurance or similar liabilities have arisen, or may arise in the future, with regard to the Company or an affiliate thereof as a result of assignment of Entitlements to the Participant, take-up of Shares in the exercise of Warrants, or purchase of Own Shares by the Participant, in any country other than the Republic of Poland ("**Foreign Public-Law Liabilities**"), the Management Board may unilaterally decide to reduce the number of Entitlements exercisable by the given Participant ("**Reduction for Public-Law Liabilities**"). The number of Entitlements to which this reduction applies will be calculated in such a way as to ensure that the surplus market value of shares which the Participant might acquire by exercising Warrants or otherwise exercising such Entitlements over the corresponding take-up or purchase price of shares acquired in the exercise thereof corresponds to the value of Foreign Public-Law Liabilities at the time of calculation of Foreign Public-Law Liabilities by the Company or as of the date of selection, by the appropriate governing body of the Company, of the means of exercising Entitlements assigned to the given Participant. This surplus shall be allocated by the Company or an affiliate thereof solely towards discharge of the aforementioned public law liabilities. In each case the calculation and settlement of Foreign Public-Law Liabilities will acknowledge the individual circumstances applicable to the given Participant.

§ 11

CONCLUSION AND SUSPENSION OF INCENTIVE PROGRAM A

1. Incentive Program A will automatically conclude on the deadline (determined in accordance with these Terms and Conditions) for exercise of Entitlements assigned for its final Stage.
2. The General Meeting may adopt a resolution concerning cancellation of Incentive Program A. Moreover, the Management Board is authorized to undertake a decision to withhold implementation of Incentive Program A, terminate Incentive Program A ahead of schedule, or declare expiration of Entitlements in case of substantial changes in legislation governing implementation of Incentive Program A, or other substantial changes affecting the Company which may have an impact on the implementation of Incentive Program A, such as significant changes in the Company's organizational framework, structure, ownership or economic environment.

§12
