Management Board justification concerning Resolution No. 3:

On 18 April 2023 the General Meeting of Shareholders adopted Resolution no. 7 *concerning institution of Incentive Program B for the financial years 2023-2027*. In accordance with the adopted resolution, the Earnings Condition for the respective periods of 4 (four) financial years is to be determined in each year of assignment of entitlements in Incentive Program B in a resolution adopted by the General Meeting of Shareholders at the request of the Management Board.

Thereby, the Management Board submits a request to the General Meeting of Shareholders to determine the Earnings Condition in Incentive Program B applicable to the entitlements assigned during 2024 in the amount of 3 000 000 000 (three billion) PLN.

In the Management Board’s opinion, the proposed Earnings Condition for the financial years 2024 - 2027 is ambitious and its fulfillment will depend on effective completion of projects planned in the CD PROJEKT Group Strategy and their commercial success. At the same time, it is consistent with the interest of the shareholders of the Company, as fulfillment of the proposed result will support growth in the capitalization of CD PROJEKT S.A., including its valuation on the Warsaw Stock Exchange S.A.
